Decisive for the eligibility of delivery for approved locations is exclusively the information given in the QS database. This is because deviations due to the contract date, blocking of companies or something similar could appear. This certificate is property of the certification body and must be returned on request. The audit is based on the valid version of the scheme manual by the time of the audit.

This document is issued by the Company under its General Conditions of Service available on request. Attention is drawn to the limitation of liability, indemnification and jurisdiction issues defined therein.
