

Safir Group, a brand-new joint venture between Österreichische Salinen Aktiengesellschaft and Safir Tuz, supplies premium salt to the wholesale, retail and consumer markets throughout the world. And we just got started. The Turkish mines will be expanded, furthermore the most modern evaporated salt plant in Turkey is already under construction. Do you want to play a key role in the transition of Safir Group to one of the leading worldwide salt producers?

## We are looking for a: **Foreman/Team Lead - Maintenance**
